

Enforcement of Planning and Environmental Laws in Queensland

Table of Contents

Foreword.....	ix
Acknowledgment.....	x
About the Author.....	x
Preface.....	xiii
Table of Cases.....	xv
Table of Statutes.....	xxi
Chapter 1 - Overview of <i>Integrated Planning Act 1997</i>.....	1
Introduction.....	1
Ecological sustainability.....	2
The precautionary principle.....	5
Climate change.....	6
Fundamentals of the Act.....	11
Approvals.....	11
Development permits.....	11
Preliminary approvals.....	12
“Material change of use”.....	14
Start of a new use.....	15
“Use” and ancillary use.....	15
“Material”.....	18
Intensification of a use.....	19
Re-establishment of abandoned or discontinued use.....	21
Levels of assessment.....	23
Integrated Development Assessment System.....	24
Application stage.....	25
Information and referral stage.....	25
Public notification stage.....	25
Decision stage.....	26
A guide to navigating the Act.....	26
The courts.....	28
Introduction.....	28
Planning and Environment Court: appeals and enforcement proceedings.....	28
Proceedings in Magistrates Court.....	31
Determining appropriate court.....	32
Chapter 2 - Planning instruments.....	35
State instruments.....	35
Regional plans.....	35
State planning polices.....	37
Local government instruments.....	37
Planning schemes.....	37
Planning scheme policies.....	40
Temporary local planning instruments.....	41

Chapter 3 - Interaction of <i>Integrated Planning Act 1997</i> with other legislation	45
Introduction	45
<i>Environmental Protection Act 1994</i>	45
Roll-in to <i>Integrated Planning Act 1997</i>	46
Chapter 4 activities – approvals	46
Identifying the assessment manager.....	47
Chapter 4 activities – self-assessable development.....	47
Chapter 4 activities – assessable development.....	48
Example of roll-in.....	49
Law	49
Outcome.....	51
Case study.....	51
<i>Vegetation Management Act 1999</i>	52
Introduction	52
Overview of Act	53
Roll-in to <i>Integrated Planning Act 1997</i>	54
Level of assessment	55
Identifying assessment manager.....	55
Example of roll-in.....	56
Step 1: Identifying the vegetation	56
Step 2: Consideration of <i>Integrated Planning Act 1997</i>	56
Step 3: Criteria for assessment.....	57
Step 4: Identifying assessment manager	58
<i>Building Act 1975</i> and use of preliminary approvals.....	58
Introduction	58
Example of roll-in and preliminary approval.....	58
Step 1: Identifying whether work is development.....	59
Is work “building work” under Building Act?.....	59
Is work “building work” under planning scheme?	59
Are extensions a material change of use under planning scheme?	59
Step 2: Identifying type of development	60
Is work under Building Act assessable development?.....	60
Is work assessable development under planning scheme?	60
Step 3: Identifying level of assessment	60
Building work under Building Act	60
Building work under planning scheme	61
Step 4: Identifying assessment manager	61
Outcome	61
Consistency with prior development approvals	62
Local laws	62
Overview	62
Appeals.....	63
Case study.....	63

Chapter 4 - Offences	67
Introduction	67
<i>Integrated Planning Act 1997</i>	68
Overview of offence provisions.....	68
Mental element of offences.....	68
Offences.....	72
Assessable development without permit	72
Non-compliance with codes	72
Contravention of development approval.....	74
Liability of owner for acts by third party.....	75
Non-compliance with code applying to use of premises	78
Unlawful use of premises.....	78
Non-compliance with State planning regulatory provisions	80
Non-compliance with master plan.....	81
False or misleading notice.....	82
Offences relating to enforcement notices.....	82
Excuses	83
<i>Criminal Code</i> – ss 23 and 24	83
Effect of IPA s 4.4.14 on <i>Criminal Code</i> excuses.....	85
Executive officers	87
<i>Environmental Protection Act 1994</i>	88
Introduction	88
Key terms.....	89
“Environmental harm”	89
“Environmental value”.....	90
“Environmental nuisance”	90
“Material environmental harm”	91
“Serious environmental harm”	91
“Potential” adverse effect or loss	92
“Cause” harm	92
“Wilfully”	93
“Unlawful”	93
Key offences	94
Carrying out chapter 4 activity without being registered operator	94
Contravening development condition	94
Environmental harm, material environmental harm and environmental nuisance.....	95
General environmental duty.....	96
Duty to notify administering authority	98
“Associated activity”.....	99
Threatened harm	99
Investigative tools.....	100
Methods of enforcement.....	102
Defences	103
Compliance with general environmental duty.....	103
Executive officers	103
Notice of defence	104
Concluding comments.....	106

Chapter 5 - Conditions of development approvals.....	107
Introduction	107
Requirements.....	108
<i>Integrated Planning Act 1997</i>	108
“Relevant”.....	108
“Reasonably required”	109
Common law.....	110
Must be for planning purpose	110
Must relate to development to which attached	111
Must be reasonably certain.....	111
Must be final	112
Must not result in materially different proposal	113
Must not require excessive council supervision	114
Interpretation	115
“Generally in accordance with” plans.....	115
Fundamental conditions	117
Drafting	117
Chapter 6 - Conducting investigations	121
Introduction	121
Commencing an investigation	121
Research prior to attending site	122
Entering site.....	123
Powers of entry	123
Obtaining permission to enter	123
Warnings prior to entry.....	125
Site inspections upon invitation	125
Entry without warning	126
Offences caused by multiple parties	126
Offences under multiple Acts.....	128
Fact finding and gathering evidence.....	129
Identifying elements of offence	130
Identifying persons responsible and relationships between parties	131
Identifying relevant act or activity	132
Identifying location of act or activity.....	133
Ascertaining whether act authorised	134
Ascertaining date of offence	134
Multiple offences	134
Photographic evidence	135
Notes, samples and recordings	135
Expert assistance.....	137
Follow-up inspections.....	137
Investigation management: limiting number of investigators	138
Other issues	138
Vegetation clearing.....	139
Filling	139

Chapter 7 - Statutory notices	141
Introduction	141
Enforcement hierarchies	141
Background to statutory notices	142
Legal requirements of enforcement notices.....	143
Within legislative power	143
Specificity	144
Other	146
Amendment of statutory notices.....	147
Court's power to amend notices	147
Appealing an enforcement notice	148
Staying an enforcement notice	149
Discretion to issue enforcement notice.....	152
Parallel proceedings	153
Can a notice be challenged during a prosecution?.....	154
Admissions in response to statutory notice	156
Informal admissions.....	156
Corporations	157
Privilege against self-incrimination	158
Voluntariness.....	159
Unfairly made	160
Using notices effectively.....	165
Notices pursuant to the <i>Environmental Protection Act 1994</i>	165
Scope of notices.....	166
Chapter 8 - Preparing for and conducting legal proceedings	167
Introduction	167
Issuing a complaint.....	167
Time in which complaint must be laid.....	168
Form of complaint	170
Particulars of offence.....	171
Drafting particulars	172
Amending particulars	172
Disclosure.....	175
Brief to defendant.....	176
Witness statements	178
Evidentiary aids to facilitate proof of documents.....	179
<i>Local Government Act 1993</i>	179
<i>Integrated Planning Act 1997</i>	181
Multiple defendants and joint trials.....	182
“Without prejudice” communications in criminal matters	183
Use of summons for material before trial	185
Compromising a prosecution.....	185
Statutory provisions, policies and guidelines.....	186
<i>Criminal Code (Qld)</i>	186
Director's Prosecution Guidelines (Qld).....	187
Prosecution policy of Commonwealth	187
Prosecution guidelines	188
Case law.....	188

Concluding comments	190
Conducting court proceedings	190
Instructions and standing down proceedings	191
Preparation for court attendance	191
Familiarity with legislation, procedures and facts	192
Written and oral submissions	192
Witness schedules	193
Pre-trial conferences	193
Evidence	193
Materials to take to court	195
Mentions, callovers and reviews	196
Trials in excess of three days	198
Trial	199
Delivery of materials to court	199
Order of proceedings	200
Witnesses	200
Court Etiquette	201
Clothing	201
Court appearance	201
Chapter 9 - Duplicity	205
Introduction	205
Meaning of duplicity	205
Connectivity in time, place or purpose	207
Alternative offence provisions	213
Continuing offences	214
Drafting charges	215
Examining substantive basis of charge	215
Practical implications of duplicity	217
Chapter 10 - Negotiated outcomes, sentencing and finalising proceedings	219
Negotiations	219
Introduction	219
Timing	221
Considerations prior to commencing negotiations	221
How to negotiate	222
Discretion to prosecute	223
Practical implications of pleading guilty	224
Penalties	225
Sentencing	228
Statutory principles	228
Common law principles	229
Even-handedness	229
Proportionality	230
Totality	231
Guilty plea	232
Recording a conviction	233
Costs	235
Index	237
